GERMANS EXECUTE BRITISH SHIPMASTER Captain Fryatt, of the Brussels, Shot -Sentenced by a Naval Court.

Berlin, July 25, by wireless to Sayville—Captain Charles Fryatt, of the
Great Eastern Rallway steamship
Brussels, which vessel was captured
by German destroyers last month and
taken into Zeebruggo, has been executed by shooting after trial by a
erman naval courtmartial.

The death sentence was passed upon

The death sentence was passed upor Captain Fryatt because of his alleged action in attempting previously to ram a German submarine.

Testimony was presented at the courtmartial to show that, while Captain Fryatt did not belong to the armed forces, he had attempted, on March 28, 1915, while near the Maas Light-ship, to rain the German submarine U-23. Capt. Fryatt and the first of-floer and the first engineer of the Brussels received from the British Ad-

miralty gold watches for "brave con-duct," and were mentioned in the House of Commons. DEUTSCHLAND KEEPS
